- Derby Showcase
- Big Win for 13s
- Auskick Action
- Sponsor News

Newsletter items and photo's may be sent to the club email for the attention of the Editor -
Frankie Mason.
ajfchawks@gmail.com

It was rumoured that this year's Las Vegas night would be bigger and better than last year's event and it was certainly the case. Las Vegas came to life at the WA Rowing Club with the evening starting on the red carpet. Two gorgeous showgirls, arm in arm with Club President Alan Hebiton, sashayed into the room.

Wow - who knew that would be a perk of the President's job? Mind you he certainly earned some adoration after lugging vast amounts of supplies up the stairs! Many patrons thought the lights had been turned up but no, it was Alan's eye twinkling and his smile flashing!

This event had it all...live music, casino tables where black jack and roulette were steadily played all night. The sensational catering of Stephanie Nicholls, the stylish MC Dave Da Silva and his other half hamming it up with our local talent, Fat Elvis, a tragic bride, a hot pink Ashley Cranenburgh and wife Lorene all added to the glitz and glamour of the evening.

But the stand-out star of the night will never be forgotten....no matter how hard we may try...was Carlotta looking suspiciously like our own Albert Dennis in thigh high boots!

The evening was a real turn-out of AJFC *Who's Who* and it was great to see past dignitaries

of the Club in attendance such as Les McCarrey, one of the early Presidents of the Club. It was a night when parents were able to let their hair down in fine style all for the greater cause ...the mighty Applecross Hawks.

MORE LAS VEGAS NIGHT IN ACTION

The big ticket auction items fetched attractive prices and a huge success was the Panda Cup which promises to be a great day on the boat with a competitive group of players! The debt collectors will be out in force to follow up on the money promised. Lights had to be turned up in the wee small hours of the morning as many revellers did not want the night to end. Fortunately for the organisers, many willing helpers were able to return the next day to assist in the clean-up. This was done with match day precision with dedicated helpers digging in. Thanks to Dave Da Silva, Bec and Mark Burns, Tania and Brenton Scott, Jason Steggall, Deb Rohlach, Kay and Dave Ramsey, Allison and Stu Bailey, Frank Sanchez, Alan Hebiton, Drew Gaynor and Glen O'Donnell.

Many thanks to **Narelle Da Silva** (seen at right with Fat Elvis) for her stellar efforts in organising another memorable evening - a top night by all accounts. To all who attended, our thanks for making the evening so successful.

Guests at the Las Vegas Night dressed according to the spirit of the evening. Some seemed to enjoy dressing up more than others!!

HAWKS

17s FLAGSHIP TEAM

It's a great feat for the club to be fielding a 17s side in the 2010 Youth League. Some of the boys (er...really young men) in this team have been at the club since the 1990s playing in the Auskick equivalent of that time. This team was the last to win a premiership flag for AJFC in 2007 when playing in the 14s competition.

One of those is Scott Pendoley, (right of banner in top left pic) who recently played his 100th game for the club. Scotty is an expert at getting in and under and dragging the ball back into play. His tenacity when tackling and determination to win has seen him receive the coach's weekly award twice this season (round 2 and round 6) and once for best defensive play (round 5). Scott is currently in his 9th season with the AJFC. His father Peter was team manager for three years and his mother Kellie is the team photographer. A family affair you would say!

With him is Justin Wych who celebrated his 50th game. Justin began playing for the Hawks in 2008 after acting as an assistant to the coaching staff in 2007. He is the strongest backman in the competition with a similar playing style to Luke Hodge. Always in the right place at the right time, Justin is a potent force in defence.

Also shown running through his 50 game banner is Matt Salinovich who joined the Hawks in 2009 with the 16s team from Booragoon JFC. He is well positioned in defence and is a gutsy and dogmatic player. Matt participated in the Touch Rugby competition the that 17s participated in during the off season.

Coach Bill Holmes (centre) has been involved with the team since the start along with Ian McCarrey, Sarina Aston (Manager) and others, have guided the team through all of this time. This is a significant achievement. We congratulate this team and encourage them in their 2010 season.

HAWKS

MORE MILESTONES CLOCKED UP

He's just a boy from the bush who loves his footy but James Mason (Maso) recently managed to play his 100th game. Beginning with Marist in Bunbury as an 8 year old in the 10s team, Maso has since played a year with Booragoon Bulldogs and is currently in his second season with the Hawks. James enjoys the physical contests that the game brings and as a backman thinks there's nothing better than to sneak up and kick a goal or two. **Left—** A big cheer for his 100th game from his 14s team mates and a good win against Palmyra was a great way for Maso to celebrate his 100th game.

Joe Cuccovia started football with Palmyra Auskick and joined up with the Hawks in the 2009 16s team. He has strong hands and rarely misses a mark. Wearing the number 17 jumper, he is one of the regulars at training and as part of the leadership team, is dependable and committed. On Sunday the 20th June, the 17s team cheered Joe on as he reached his 75 game milestone.

AUSKICK ACTION

The Year 3 Aus-kickers recently encountered their second inter-club game at the Year 3 Auskick carnival at East Fremantle oval. AJFC fielded two teams against the East Fremantle Power JFC. All players had a great time and so did their parents!

DERBY DAY DRAMA

It wasn't quite a curtain-raiser for the big league but exciting nonetheless when a combined 11s/12s side took to the field in the Little League half time game at the Foundation Day Derby

recently. Representing the East Fremantle District, the boys gave a good account of themselves in the game and had a load of fun to boot! The AJFC has

been well represented in the derbies of late and we always enjoy the opportunity to play in front of a big crowd.

BIG WIN FOR 13s

The 13s recently scored a decisive win at Shirley Strickland Oval. Onya guys! The team has been competitive this year but with limited success. In a breakthrough game the team won by 56 points and put in a comprehensive four-quarter effort. Look at Ash's pleased smile!!

WHO'S WALKING THE PLANK TODAY?

Captain Jack Sparrow recently took time out from those Pirates of the Caribbean to visit the AJFC Auskick footballers for Luke Bellgard's birthday. All players received "Pieces of 8" and sweets to celebrate Luke's big day. Captain Jack may make you walk the plank but can he kick a footy?

SPONSOR FOCUS

O'Brien & Robbins is a family company specialising in Real Estate Sales in Applecross and offering a diverse and comprehensive range of skills and abilities on a very personal and ethical note.

We maintain an ongoing liaison with many owners of prestigious, exclusive and unique properties within Applecross. We regularly receive enquires and negotiate with overseas clients who wish to buy, sell or rent.

John and Annette O'Brien have worked and lived in Applecross since 1967. John is a licensed Real Estate Agent and Registered Builder, with many years' experience in both Building, Real Estate Sales and Property Management. Annette has worked for 35 years in the building and design of new homes, land subdivisions, property sales of new and established homes.

We look forward to you contacting us if we can be a further assistance and you can be assured of our personalised, discreet and ethical service at all times.

Solar Harness is dedicated to providing renewable energy systems that are custom designed to your specific needs.

We provide much more than cutting-edge technology; we also open the doors to a sustainable lifestyle and provide the means to create a cleaner greener world for you, your children, and future generations. Our aim is to see renewable-energy solar systems on every roof in Australia. Only then can Australia throw away the fossil fuel shackles and enjoy a more sustainable lifestyle. As industry leaders, we're constantly sourcing new technologies to increase the performance of our systems even further. And as efficiencies improve, everyday we move closer to 'price parity'. This means that every time another valued customer installs an energy system, the dream of zero-cost electricity comes closer to reality. Our ultimate goal is for all homes across the country to be generating their electricity needs at ZERO cost and selling their excess electricity to a power company. We're passionate about this industry and the potential for solar energy systems to revolutionise power supply for all homes. The concept of free electricity whilst protecting the environment from harmful greenhouse gases is compelling. We want to share this idea with everyone; because in the end, everyone will benefit.

eat greek
restaurant

Ph: 9339 8022
www.eatgreek.com.au

Eat Greek Restaurant has a fresh take on a buffet style restaurant. For Greek style this location is just perfect. Overlooking the river, the blue and white themed restaurant is uses real linen tablecloths and features floor to ceiling windows allowing in plenty of natural light.

Eat Greek is a family run business using traditional recipes, offering its customers amazing home cooked Mediterranean meals, in a warm and friendly atmosphere. There is a fantastic selection of delicious dishes ranging from traditional moussaka to fresh seafood and salads. There are lots of healthy options and a few Australian favourites too. The dessert buffet offers a choice of delicious baklava, brandy pudding, Ravani, chocolate mousse and fresh fruit salad. The kids will love the jelly and bottomless ice cream with hundreds and thousands to sprinkle on top. On Friday and Saturday nights we have additional entertainment with traditional Greek music, dancing and breaking of plates. The restaurant seats 130 while the function room accommodates 120 - an ideal location for cocktail parties and weddings. It's also an ideal dining venue for groups or family gatherings. Eat Greek offers affordable dining on the river, where there is something for everybody. Come to Eat Greek to enjoy good service, traditional Greek food, music and dancing.

The all you can eat buffet is \$39.90 per person Friday and Saturday evenings and \$34.90 Wednesday, Thursday evenings. All ladies dining with us on Wednesday evening enjoy the full buffet for \$29.90. Children 12 years old & under are charged twice their age.

Now open for lunch on Fridays - Mezethes style menu.
