

## **AJFC Club Song**

The Management Committee is keen for all teams to sing the Club song after each game. This is something that has gone by the wayside in recent times. The lyrics are sung to the Hawthorn theme. Words are.....

**We're the mighty fighting Applecross  
We're the mighty fighting Hawks  
For the brown and gold we play with pride  
Together we're side by side - at Applecross**

**You will always find us striving  
Teamwork is the thing that counts  
One for all and all for one is the way at Applecross  
We are the mighty fighting Hawks**
